

Is your Organisation Breastfeeding Friendly?

Breastfeeding Link Worker Project Funded by NHS Barnsley
Supporting Barnsley to be a Breastfeeding Friendly Town.

It is easy for your business to achieve the Breastfeeding Friendly Award

Staff training is provided FREE. Incorporated into this training is information about:

- How Barnsley is working towards being a breastfeeding friendly town
- How to support your staff returning to work if breastfeeding,
- How often babies are fed and how to deal with negative views about breastfeeding families.

Upon completion a certificate of Achievement is awarded. As part of this award your business will be provided with 'Welcome to breastfeed here' signs, which we would ask you to display. Other resources will also be provided including the breastfeeding policy. On achieving the award your business will be placed on a list of Breastfeeding Friendly Awarded places in Barnsley. This information is circulated to all breastfeeding families and can be found on our website.
