This programme is FOC and travel costs can be reimbursed.
 On receipt of this return slip, we will register your interest, send you a programme outline (to include a 2 hour taster session on Monday 02 November, at The Core), and confirm your place in due course.

How does the Council work together with the Third Sector and other partners to improve Barnsley?

Who makes the decisions and how do you influence them?

Do you want to be more involved in changing things?

And strengthen the voice of your community?

Programme no.3

Developed by:
 Voluntary Action Barnsley

In partnership with
 One Barnsley

How your town works.....

Trainers:

Carol Brady & Caroline Makinson

Who will the course benefit?

- People who are active in their communities (just starting out or with some experience in a community group or organisation) and want to make more of an impact;
- People who are involved in borough wide Third Sector organisations and networks
- Or paid workers who want to help their organisations become more involved

Dates & Times

6 sessions on Mondays

Times

9.45 refreshments

10.00—1.00 session

Followed by lunch

Dates 9,16,23,30 Nov, 7,
14 Dec 2009

.....and making it work for you

An opportunity to:

Hear guest speakers from key organisations in the town with experience of how power and decision making works

Gain information about structures and processes; the local strategic partnership, the town council, etc.

Network with people from other networks, groups and areas

Share your experience and your ideas

Make plans for increasing your influence
